HISTORIC AUGUST BIEHLE PAINTING

Please join us for a presentation and discussion of a 1918 historic August Biehle Jr. painting. Biehle, an American Modernist painter and other well known artists from the Cleveland area participated in the Henry Keller Summer School in Berlin Heights during the early 1900's. This painting is one of Biehle's early works from the Henry Keller Summer School and depicts a rural farm scene of the area. This acquisition was made possible through a generous donation from Patricia Leimbach.
