Human trafficking happens everyday in the United States.

It happens in Ohio. It happens in Erie County.

Yet, many people know very little about what human trafficking is.

STOLEN WOMAN WITH AUTHOR KIMBERLY RAE

Join the Milan Public Library as we draw attention to Human Trafficking this month. Author Kimberly Rae will be here to discuss her novel *Stolen Woman*. Discover what brought the author to write about this topic as we learn more about human trafficking.

HUMAN TRAFFICKING

PRESENTED BY TRACY MCGINLEY OF BGSU FIRELANDS

This program is designed to educate the public on what human trafficking is, how people get lured into human trafficking, what types of trafficking are taking place in Ohio, and what we can do about it. It is through a greater level of knowledge and education on human trafficking that we can help to fight this modern day form of slavery.
