UNDERSTANDING SLEEP DISORDERS

At some time, most of us have experienced trouble sleeping properly. However, if sleep problems are a regular occurrence and interfere with your daily life, you may be suffering from a sleep disorder. Sleep disorders cause more than just sleepiness. Poor quality sleep can have a negative impact on your energy, emotional balance, and health. Interested in learning more? Join us as Kelli Grose from the Sleep Disorder Center of Firelands Regional Medical Center explains sleep disorders in detail and discusses the equipment used to treat these conditions.
