MILAN CONSTRUCTION UPDATE

Construction at the Milan Public Library is in full swing. Exterior work is expected to be complete by early January and interior work is underway.

As more activity moves inside, you may see some temporary changes. Please accept our apologies for any inconvenience.

Even with all the dust and noise, we will continue to offer many of our services.

We would also like to welcome everyone to take this opportunity to visit our wonderful sister location, the **Berlin Public Library**. There you will find the same exceptional services and staff that our communities share.

For the latest construction updates, visit us online at milan-berlin.lib.oh.us
